OUT OF THE GLOOM

Many a Gloomy Countenance in Norway

Now Lightens With Happiness

A bad back makes you gloomy.

Can't be happy with continual back ache.

The aches and pains of a bad back are frequently due to weak kidneys.

Doan's Kidney Pills are recommended for weak kidneys. Ask your neighbor.

So Norway citizens testify.

Mrs. Orville Palmer, Lower Main St., Norway, says: "I was suffering from disordered kidneys. My back was painful and it made me restless at night. I was dizzy and everything seemed to turn around in the room. My kidneys didn't act regularly. Doan's Kidney Pills had been used in the family with benefit so I decided to go to Clark's Drug Store and get a supply. After using two boxes, I was all right, so I gladly recommend Doan's."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Palmer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Our treat—come and get some good things to eat

A good housewife won't take anybody's word about an article as important as an oil cook stove.

She wants to see for herself how it works and what sort of results it gives.

We don't blame her.

She is right.

That is why we are demonstrating the Florence Oil Cook Stove in our window.

An expert cook is doing all sorts of cooking right before your eyes and serving everything she cooks so you can judge the results.

Every good housekeeper will be interested and should make it a point to see this demonstration.

Roomy as many sedans—easy to handle as a roadster, this Oakland Coupe for Five combines a chassis of proved mechanical excellence with one of the finest of Fisher-built bodies! Come in and let us show you the many superiorities of this model.

Cuts Better Lasts Longer

You will appreciate the John Deere Mower the moment you see it in action. You will notice particularly its simplicity, its great cutting power and the ease with which it is handled. These advantages, combined with the extra years of service it gives, makes the John Deere a mighty profitable mower investment.

JOHN DEERE MOWER The Mower with the Balanced Gears

The driving gears on the John Deere are balanced—one set offsets the thrust of the other set. This eliminates side wear and strain. This mower transmits maximum power to the high grade carefully-fitted knife—that's why the John Deere does a better job of cutting and pulls lighter.

Another feature—if after years of use, lag develops in the cutter bar, this can be taken out—the bar is aligned by a simple eccentric adjustment. The John Deere handles easily. The bar can be raised high with the foot lever to pass over ordinary obstructions. With

the hand lever an extremely high lift can be secured quickly and easily. It's no job to keep the John Deere in good running order. All parts are easily replaced; adjustments easily made—its simplicity is a real feature.

Be sure to see this mower before you buy.
It's the best mower we have ever seen.

The summer vacation of July and August will come after two more business meetings.

MAGALLOWAY PLANTATION

Centennial Celebration
A picnic was held June 20 in a grove on the road leading to the Diamond Farm, by the residents of this town and invited guests from Wilson's Mills and Wentworth Location, in celebration of the close of the Spring term of the schools and the one hundredth anniversary of the settlement of the town.

The site chosen for the picnic was on the spot where the first settler, Jonathan Leavitt, planted his first crop of potatoes late in June in the year 1823, now covered with a thick growth of birch, maple, poplar, spruce, pine and fir. A committee consisting of the following named persons furnished the entertainment. Lewis Leavitt, grandson of the first settler, the teachers, Wm. Adams and Miss Beatrice Gouge, Mrs. Adams, the pastor, Mr. Tucker, and others. An excellent dinner consisting of baked beans, potatoes, eggs, bread, butter, several kinds of cakes, pickled cucumbers, olives, tea, coffee, lemonade, etc., followed by ice cream.

After dinner we had the pleasure of listening to addresses by Rodney Linnell, who has been attending Gould's Academy in which he gave an outline of the history of the town, and Mr. Tucker, Mr. Paton, district superintendent, and Mr. Leavitt, interspersed with singing, followed by exercises by the school children, concluding with some ringing cheers, given in honor of Hugh Hoyt, a veteran of the civil war, now past 90, who was present, and the committee of entertainment.

BETHEL

Once Lived in Bethel
Mrs. Lucy C. Titus, widow of Rev. Eugene H. Titus, a Congregational clergyman, has died at the home of her son, Edward K. Titus, who is identified with newspaper work, at Newtonville, Mass. Titus was born in Georgetown, Mass., was seventy-eight years old, and the daughter of George W. Chapin. She was married in 1865 to Mr. Titus, who held pastorates at Beverly, Bethel, Me., and Farmington, N. H.

Following his death in 1876, Mrs. Titus went back to live in Georgetown, where she remained for twenty years, and then took up her residence with her son, who is her only immediate survivor. There is one grandson.—Boston Transcript. rgweedjsh

Bethel Grange

Bethel Grange held a regular meeting, the 21st, much business was transacted and the first and second degrees were conferred on two candidates.

They voted to send their worthy lecturer, Mrs. Helen Berry, to the New England Conference of Lecturers at Amherst, Mass., in August.

A short program was given which included reading by Ralph Berry; a humorous monologue by Mrs. A. E. K. Grover of Norway grange, and a spirited spelling match followed. One member remarked that there might be more letters in the alphabet.

A special meeting was held Friday night for conferring degrees. Pleasant Valley Grange of West Bethel was present and their sisters degree team conferred the fourth degree and the work was fine and much enjoyed and appreciated. The candidates were Irving L. Conner, Ernest Bisbee, Chester Howe, Herbert C. Rowe, Mr. and Mrs. Guy L. Thurston and Elias Robinson, Jr. Refreshments were served at the close of the work.

Tuesday, June 24, Oxford Pomona was entertained; a more extended account will be given.

Get the Big Price for Your Hay

The quality of your hay determines the feeding value and the price. There is often a difference of from \$4.00 to \$10.00 per ton between choice hay and hay that grades No. 3. Increase your hay-land profits by air-curing your hay. Use a

John Deere Dain System Rake

Dain Features

Inclined frame—extra capacity.
Curved teeth, properly spaced—lift instead of dragging or kicking the hay.
Flexible frame and reel.
All adjustments made from the seat.
Exclusive tooth bar construction.
Either one or two castor wheels.

Air-cured hay is better hay. It holds its color. The leaves do not become brittle. There is little loss in handling. The hay keeps better in the mow, stack or bale, and is more palatable, more digestible and has greater feeding value. Whether you sell your hay or feed it, your profits are increased when you adopt the Dain system of making hay.

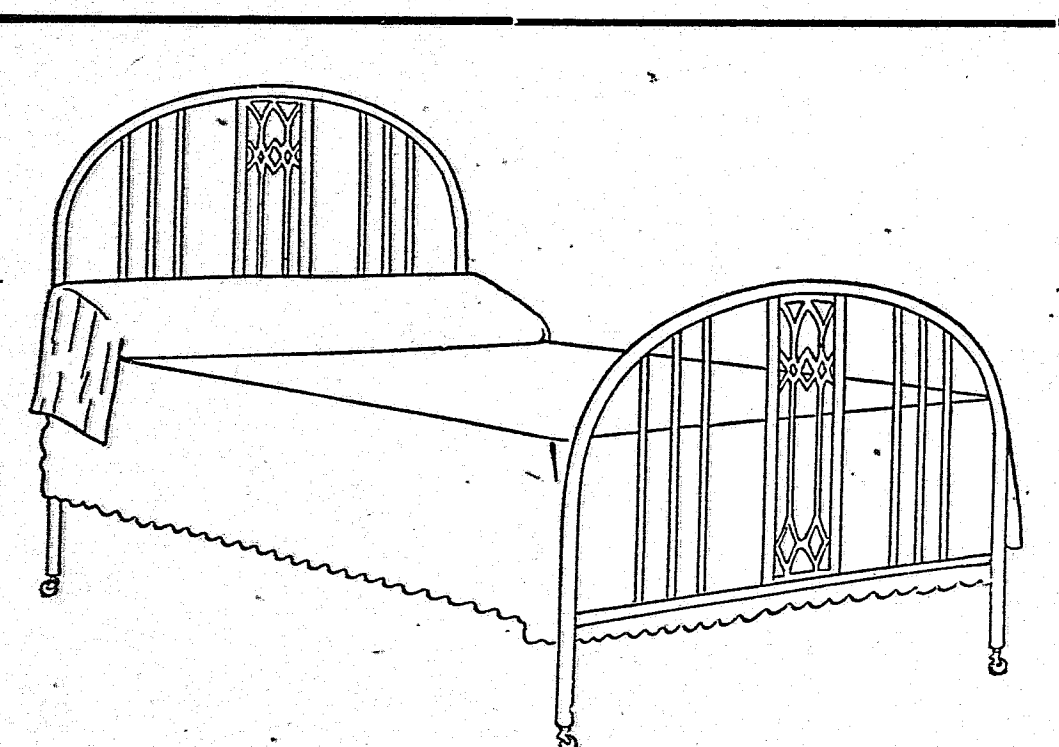

It does not cost you anything extra to air-cure hay. You merely use a Dain System Rake.

The Dain System Rake is the best for this purpose. It is the easiest to operate, and you can handle the heaviest hay because, with the inclined frame, the capacity is the greatest where the quantity of hay handled is largest. And, remember, the curved teeth of the rake lift the hay instead of kicking it.

Drop in and look over the Dain System Rakes we have in stock.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one remedy, CATARRH MEDICINE, a constitutional remedy. Catarrh is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reached, your hearing must be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surface of the system, thus reducing inflammation and restoring normal conditions. All Druggists. Circulars free. E. J. STUDEBAKER BIG-SIX TOURING CAR \$1750

You Can Buy More Weight— But You Won't Find a Better Car

In the Studebaker Big-Six you get all the performance, all the comfort, and all the dependability that any car can give—at a price that smaller producers cannot even approach.

The Big-Six Touring is a seven-passenger car with a seven-passenger motor and seven-passenger dimensions throughout. It distinctly is not a seven-passenger body mounted on a five-passenger chassis.

The Big-Six will take the steepest hills on high. It will maintain a high rate of speed over long stretches hour after hour. No car provides more restful riding—none is easier to operate. None is freer from frequent repairs.

Equipment is complete, even to an extra wheel with tire, tube and tire cover.

Its low price is due to large volume and to the fact that Studebaker overhead is shared by three models—all sixes. Then, too, only one manufacturing profit is included in the Big-Six price because all vital parts are manufactured in Studebaker plants.

If you spend more than the Big-Six price you can buy more weight and bulkiness and pay more for overhead and operation, but you will not get a better automobile.

Studebaker has been building quality vehicles for 71 years.

Power to climb in high gear any climbable hill

Extra disc wheel complete with cord tire, tube and tire cover. Bumpers. Motometer. One-piece, rain-proof windshield, automatic windshield cleaner, and glare-proof visor. Rear-view mirror. Aluminum-bound running boards with corrugated rubber mats and step pads. Aluminum kick plates. Grip handles on body rails. Cramblers. Dyer-Sanderson

Miss Leola Mae Sanderson, 41 Pearl street, Somerville, daughter of Mr. and Mrs. Frank W. Sanderson, was married Saturday noon, June 23, to Ralph Plummer Dyer, 21 Pennsylvania Avenue, son of Mr. and Mrs. William S. Dyer. The ceremony was held in the parlor of the home of Rev. William H. Dyer, pastor of Grace Baptist Church, used the double ring service.

The bride was groomed in a gray traveling suit and carried roses. She was unattended. On their return from a trip to Maine, they will reside at 110 Perkins street.

The groom was educated at the town high school, North Berwick, Maine, and was in the student army training corps at the University of Maine. He is a member of the Improved Order of Red Men at North Berwick. The bride is a native of Waterford, Maine, and was educated at Bridgton Academy, North Bridgton, Maine.

HARRISON

Surprised On Birthday

Mrs. Eugenia Kimball celebrated her seventy-fifth birthday, Friday, at her home on Hillside Avenue. The surprise of the day came in the afternoon when a party from Lawrence, Mass., appeared. In the party were her cousins, Mr. and Mrs. Samuel Walker, Mr. and Mrs. Wm. McGraw and Mrs. James Henderson. They met the trip home, McGraw's new sport model Buick especially to see Mrs. Kimball on her birthday.

Mr. and Mrs. Walker presented her with a beautiful cake decorated in pink and white with the dates 1848-June 22, 1923. The other members of the party gave her a box of delicious chocolates.

Other callers were Mrs. James P. Blake and Edward Tarbox, Junior and Stanley Freeman. Mrs. Kimball received many gifts, including money, flowers, letters and cards.

FRYEBURG

William Locke, who formerly lived in town, but moved to Portland has purchased the "Round" House and is to move here from Portland.

The Kelly property on Main street, owned for many years by the late Wm. Kelley, has been sold to Joe Solast.

Mr. and Miss Stell, who have boarded at the "Luna" several summers have returned for the summer.

Several masons motored to Lovell, Sunday, where special services were held, Rev. Mr. Doughty officiating, with special music by Prof. Hurd.

Mr. and Mrs. Frank L. Mark of New York are spending their annual vacation in Fryeburg.

It is understood there are soon to be tablets erected with the names of the men killed in the different wars. This will be pleasing news to many.

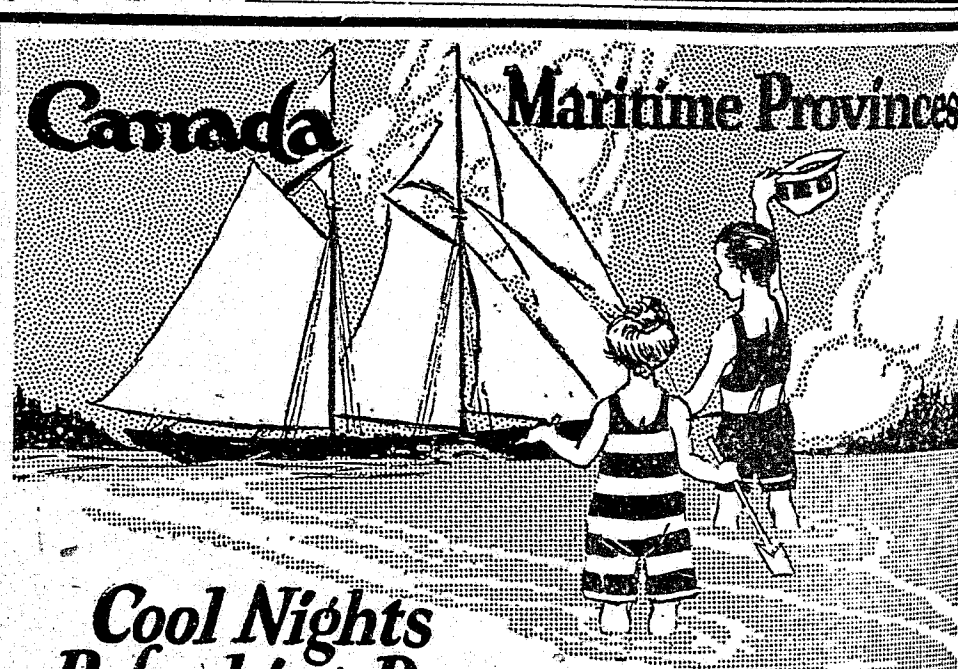

Mrs. Wallace R. Tarbox who attended the G. A. R. Convention in St. Johnsbury, Vt., returned Saturday.

NEWRY

Elmer Bailey and D. C. Smith are at work with their teams on the State road at North Newry.

A. L. Reed from Berlin, N. H., is staying at Mr. McPherson's a few days.

Mrs. Grace Arsenault has a nice little room where she is selling candy, cigars and ice cream.

SOUTH WATERFORD

Guy Dudley, the genial host of the Lake House, is expecting a large number of guests during the season. It is an ideal place to spend the summer, there is fishing, bathing, boating, and the social functions are many and varied.

Arnold Abbott has been spending several days with his father and sisters at Abbott Lodge.

Mrs. Freeman Hagood is entertaining a friend from Waltham, Mass.

The roads through the village have recently been repaired which meets the approval of everyone.

Mrs. Augusta Monroe and daughter Ethel have arrived at their home on Frant St. Frank Monroe and wife came with them for the week end.

Mr. and Mrs. Will Marr are entertaining relatives from Detroit, Mich.

One of our neighbors has invented a scheme to break up hens that are brooding—sort of a miniature air ship which is suspended from a tree and swings to and fro in the breeze, seemingly the hens have the time of their life, in two or three days they forget they ever saw a nest.

Dr. Watson and family of Haverhill, Mass., are expected soon.

Lawrence Knight of Harrison called on old friends in the village last week.

Mrs. Tripp of Newton, Mass., has been visiting Mrs. Ardelle Kimball for a few days.

There are numerous games of croquet being played at Robbie Plummer's every evening which are enjoyed by old and young.

The measles are quite prevalent here at present.

School closed June 20, with a picnic which was enjoyed by the children and teacher, Miss McKinney, at the Hill farm where they were made welcome by Mrs. McAlister and Mrs. Wheeler.

BRYANT'S POND

W. H. S. Alumni Banquet

The annual banquet and business meeting of the W. H. S. Alumni was held at the Baptist parsonage, June 15. Thirty-eight members and invited guests were present. A delicious menu was served by the Ladies' Aid Society. The following officers were elected:

Pres.—Miss Clara Jackson.
Vice Pres.—Roger Lappin.

Sec. and Treas.—Miss Marguerite Dudley.

Banquet Committee: M. Day.

It was voted to give Woodstock High School twenty-five dollars for the prize speaking contest to be held this coming school year.

Mrs. Elbridge Crooker is spending the week with her son, Homer Crooker, at South Berwick.

Mr. and Mrs. Dodd of East Orange, N. J., have arrived at their bungalow for the season.

Mrs. W. T. Elliott of Berwick is spending a few weeks with her parents, Mr. and Mrs. D. D. Peverley.

Mr. and Mrs. D. MacCallum have returned to Port Washington, L. I., after a four weeks vacation at Mrs. Sheehan's. Mr. Staples and family of Berlin, N. H., are at Pine Point cottage for the summer.

Rodney Swift, with Harriet and Janette spent Sunday at Locke's Mills.

Mrs. Imo Farnum, Lord of Waterville is visiting her sister, Mrs. Carl Dudley. Her father, James Farnum, and niece, Beta, will return home with her.

Esther Littlefield of Lewiston is visiting her grandparents and other relatives. June 20th she graduated from the Frye Grammar School. In a class of one hundred and ninety-one, she and a fellow student received the highest rank, a tie between them. This fall she expects to enter Jordan High.

Friday evening Jefferson Chapter O. E. S. entertained Oxford Chapter of Norway, fifty-three being present, with several guests from other Chapters. A supper was served at seven o'clock, consisting of salads, rolls, strawberries with cream, cake and coffee, after which the Chapter was called to order. Business being disposed of, a short entertainment was given in song. Next meeting will be held July 27.

SOUTH BETHEL

A very successful term of school was finished last Friday, which was taught by Clara Mason. A picnic was enjoyed in the afternoon by all. We are very sorry to lose two of our pupils from our school, but we hope that they will be followed by success in whatever school they may now enter. One is planning to go to Auburn in the fall. Although we shall miss her more going there than we would going to a nearer school, we know she will meet old school companions and will be followed by others whom she knows.

Mrs. Leonard Vashaw has been ill with the measles, but is better at this writing.

Mr. and Mrs. Frank Brooks and daughter Blanche, Charles Mason and Gertrude Walker motored to Norway, Sunday.

Mr. and Mrs. Harry Jasson of Norway were in town, Monday.

Mrs. Amos Barnett and daughter Bertha, who have been visiting relatives here for the last few days, have returned to Mrs. Barnett's parents', Mr. and Mrs. A. S. Brooks' of Greenwood. They will visit other relatives, later going to Washington, D. C., where Mr. Barnett has been since early last fall.

Willie Walker motored to Auburn recently.

Mrs. Scott Martin of South Paris is visiting her mother, Mrs. Etta Stevens, for a few days.

Fred Tibbetts has sold his farm here and is to move to Rumford. Everett Mitchell is to move in the house vacated by Mr. Tibbetts.

Cook's Special

A. L. Cook of Norway has made application for a patent on his new and improved method of catching pickerel. Mr. Cook and his family spent the week-end at Harry A. Packard's camps at Little Pennessewassee and Sunday morning was fly fishing for bass. He was using a four and one-half ounce rod when a small bass struck at the fly. Before he got the fish to the boat a pickerel made a lunge at the bass and three-quarters of the bass disappeared in the pickerel's mouth and throat. Cook drew the two fish quickly to the side of the boat and setting the pickerel by his neck dexterously landed him. While he still had the pickerel in his hands the fish expelled the bass from his mouth. At no time was the pickerel hooked since Mr. Cook was using only one fly hook and the bass was hooked with that. The bass measured nine inches in length and the pickerel was 10 1/2 inches long. Mr. Cook's new method of using live bait, catching the live bait first and then going after the big fish is an entirely new scientific principle. By its use the big fish is not injured in any way and if he landing him he doesn't suit the needs of your fish basket, he may be returned to the water, not sore and punctured by the sharp barb of a fish hook and except for a little fright which always attends the removal of a big fish from his natural haunt, the cool bosom of a lake, the fish is one-half of one per cent. in as good condition as when a few minutes before he had been bumping his inquisitive nose against a submerged rock. If Mr. Cook has good success in obtaining his patent, he will begin the manufacture of appliances for this new method of catching fish at once and will be unable to attend any more ball games until his factory catches up on back orders. Mr. Cook claims that his invented method will work equally well on trout, tom cods, halibut or any other species or variety of fish which inhabit the fresh water of inland lake.

Methodist Church Notes

Next Sunday there will be the usual morning worship at 10:45 with sermon on "Types of Religious Experience." Evening worship at 7. Sermon topic, "The Meaning of the Gospel." Sunday School at noon. Epworth League at 6:15 in the Community Hall. Topic, "America, the Beautiful." Isa. 62, 1-3.

A meeting of the Sunday School Board last week completed the re-organization of the Sunday School for another year, the annual election of officers coming in July each year. The Superintendents of departments remain as before, but there are a few changes in other offices. On Sunday full plans will be announced for the Sunday School picnic which is scheduled to come the week of July 2-7. This will be for all coming with the adult and Junior Departments and all younger scholars who are accompanied by adults. A special outing for the Primary Department will be given later.

Universalist Church Notes
The Central Oxford District Y. P. C. U. Association meets at West Paris Thursday evening, June 28. Supper will be served at 6:30 followed by the business meeting and a talk on Union work by the state vice president, Glenn McFattie, and a social hour. This candy and food sale by the Y. P. C. U. planned for June 29 has been postponed until a later date.
The ladies circle will meet Friday afternoon with Mrs. S. B. Cummings.

Baptist Church Notes
Thursday: C. E. 7:30. "How can we win friends and keep them?" Leader, May McAllister.
Saturday: Prayer Circles at 7.
Sunday: Morning worship at 10:45. Sermon: "Steps of the Great Change" by the pastor. Bible School at 12, followed by the Communion Service. All members requested to be present. Evening cottage meeting at 7.
Monday: Choir rehearsal in the vestry at 7:30.

Veranda Club Notes
Veranda Club met with Mrs. Vira Murphy, Thursday evening, June 14. A pleasant evening was spent in a social way. The hostess served refreshments. The next meeting will be with Mrs. Gertrude Stearns Thursday evening, June 28, at her farm near the head of the Lake. It is hoped there will be a good attendance.

The younger children of the two neighborhoods are now having their turn at mesales. Lewis and Elsie Richardson have them, Stanley Thurston has been very sick with them and Eva Marion Jackson has been in bed a week with them, very sick. Eddie Young did get in the ball game Saturday afternoon but broke out with them that night. All are gaining nicely now.
Ethna Noble is peeling from scarlet fever and "feeling fine" she says, over the phone.

Millettville and Crockett Ridge
Millettville School Picnic
The Millettville School, though one of the smallest in town, has, despite many enforced vacations finally closed with a good record. There were many little motion songs sung zealously by the six children around the organ loaned the school by the ladies of the community. Their teacher, Mrs. Fred Lovejoy, played for them. The parents came and enjoyed the wonderful time, including the picnic dinner of sandwiches made of ham, peanut butter, eggs, nabisco cookies and assorted fancy cookies and pink lemonade. Their teacher made delicious ice cream for all and there was an egg cake made by Dorothy Lovejoy, six years old, a pink frosted cake made by Anna Holt, who is 7 1/2 years old, and a jelly-roll cake made by Eva Marion Jackson, who is just nine. This proves that the girls are having domestic science at home.
There hasn't been a tardy mark on the chart for the whole year and Eva Marion Jackson has been absent only one day for the year. The other children have lost some days through sickness. The rank cards showed excellent marks, and the final examinations gave very satisfactory results. The guest of honor at the picnic was the letter carrier who never missed but two trips through the awful drifts and blizzards last winter. He was hailed as he passed and treated to the ice cream and fixings.

Kimberley's Wealth
Kimberley, which is but 60 miles from the new South African diamond field, is one of the richest mines in the world. Its yearly output is placed at \$4,000,000. Ninety-nine per cent of all the diamonds produced in the last 20 years are said to have come from South Africa.

Your Old Iron is Worth \$1.50 in exchange for a brand new one

Your old iron, no matter what kind or what condition, is as good as one dollar and fifty cents in exchange for a brand new Universal "Roundheel" Iron.

This offer is good only until July 14th.

The "Roundheel" Iron is a new feature in electric ironing—it irons backwards and sideways as easily as forward because it has no corners or sharp edges to get into the smallest pleats or ruffles.

If you have not seen this new iron you are sure to admire its smooth ironing surface that so easily glides over the daintiest dresses.

Remember this offer is good only until July 14—after that time it will be sold at the same price, \$6.75—but your old iron will not be worth the one dollar and fifty cents it is today.

Four Generations Helped to better health by this time-tested laxative

Dr. True's Elixir

The True Family Laxative

For over 72 years this pleasant and effective laxative has given proper relief to thousands of men, women and children who have suffered from constipation, deranged stomach, and other troublesome complaints brought on by disordered, sluggish bowels.

For good health—to be free from headaches, bad tasting mouth, all-gone feeling in stomach, dizzy spells, constipation, the bowels must be kept tuned up. Nature can be assisted by using Dr. True's Elixir, the True Family Laxative and Worm Expeller.

Safeguard your own health, look after the children who may show signs of worms and should be rid of them the easiest, safest way—by taking Dr. True's Elixir.

Your dealer knows of its world-wide reputation, gained through four generations of public health service. Made from imported herbs of strictly pure quality.

Signs of Worms: Constipation, deranged stomach, swollen upper lip, offensive breath, hard and full stomach with pains, pale face, eyes heavy and dull, short, dry cough, grinding of the teeth, tongue coated and covered with little red points, starting during sleep with troublesome dreams, slow fever.

Mrs. Henry Johnson, 820 Hayward Ave., Baltimore, says: "I have bought Dr. True's Elixir for over ten years and know it is good."

Mrs. H. N. Roberts, 501 Asylum St., Flint, Mich., says: "My little girl is relieved of her worms." And in a later letter wrote: "Baby is fine and it was your medicine, Dr. True's Elixir, that helped her."

Don't experiment—buy Dr. True's Elixir, the True Family Laxative and Worm Expeller. For the whole family, either child or grandparent. 40c, 60c, \$1.20.

OTISFIELD

Rayville School

In spite of rain and distance, the greater part of the Rayville children attended the Otisfield school exhibition at Spurr's Corner Grange Hall, June 28. Some little disappointment was evident among the boys because of the rain, the outdoor sports had to be omitted. However, the first, grade in their reading demonstration, Bernice Kalweit and Ralph Johnson in a rapid fire arithmetic drill and Ralph Johnson, Elsie Walo and Orrington Chadburn, who demonstrated the Palmer Method writing were all a credit to Rayville. In the writing exhibition, a novel feature was presented when Elsie Walo drew a large automobile composed of oval and push-and-pull exercises. The exhibition of school routine work, drawings, fancy work, manual training projects, a Rayville Community book with snap shots and a large, complete geography book containing maps of the world and all the continents, with text matter about each, which was made by Ralph Johnson, Grade VI, made a very attractive table display. The large Rayville banner 3x9 ft., showing the Rayville colors, green and white, marked our exhibit.

On Thursday evening, June 14, the Rayville school graduation was held at the East Otisfield Library at 8 o'clock. A large crowd of parents and invited friends attended. The hall was prettily decorated in green and white, the school colors. The following program was well presented:

School march.....Ralph Johnson, marshall
Maine, My Motherland.....Bernice Kalweit
March.....Ralph Johnson
Where Go the Boats.....Dean Peaco
Piano solo.....Ralph Johnson
America for Me.....Elsie Walo
All the Boys.....Ralph Johnson
Song.....Raymond Black
My Shadow.....Raymond Black
Maine School Days.....Harry Black
Sons.....Bernice Kalweit and Louise Walker
Landing of the Pilgrims.....Almar Kalweit
Vocalion.....Ruth Johnson
Piano solo.....Miss Lucy Witt
Lecture on Characteristics of School Children
Miss Harwood and demonstrated by the ten honor pupils.

Diplomas of promotion were awarded as follows:

Grade VI to VII—Ralph Johnson, first honor; Bernice Kalweit, second honor; Almar Kalweit, Louise Walker.
Grade V to VI—Elsie Walo, first honor; Ruth Johnson, second honor; Jennie Walo, Marietta Smith, Orrington Chadburn.

Grade III to IV—Dean Peaco, first honor; Ralph Johnson, second honor; Raymond Black, Robert Lade.
Grade I to II—Helen Heikkinen, first honor; John Walo, second honor; William Walo, George Kalweit, William Lade, Willie Hill.

Special prizes were won as follows:
Marietta Smith.....Dean Peaco
Elsie Walo.....Dean Peaco
Carl Walo.....Harry Black
John Walo.....Harry Black
Raymond Black

Perfect spelling for term:
Ralph Johnson.....Dean Peaco
Ruth Johnson.....Elsie Walo

Best record in Tooth Brush Brigade:
Marietta Smith.....Dean Peaco
Raymond Black.....Harry Black
Elsie Walo.....Jennie Walo

Best work in Palmer writing:
Ralph Johnson.....Elsie Walo
Orrington Chadburn

The term closed pleasantly, Friday, June 15th, when the entire school with most of the mothers as guests, enjoyed a picnic at Pleasant Lake. Swimming, games, a picnic lunch and ice cream helped to fix this event in the memories of the little folks, a some of the most pleasant times of the year.

The school year has been a success in every way and all hope the coming year will be just as pleasant.

CASCO

The alumni association of the Casco High School held its banquet and social at the Grange Hall, Friday evening, June 22nd. A good time is reported.

Wonderful Results from Lydia E. Pinkham's Vegetable Compound

Beloit, Wis.—"My female trouble was brought on by overwork. I had worked in the store and had to do heavier work than my strength could stand, and had to be on my feet most of the time. Finally I had to give up this work entirely and stay at home. Doctor medicine didn't give me much relief, and my mother wanted me to take Lydia E. Pinkham's

Vegetable Compound. I took a couple of bottles of it and thought it didn't help me as much as it should, so I gave it up to try something else. Nothing I took helped me much, so I finally decided to give the Vegetable Compound another trial and to take enough of it to make sure it would help me. I have taken it over a year now and it has brought wonderful results. I have gained from 93 to 110 pounds and am keeping house now. My friends all notice the change in my health. I will be glad to answer all letters that women write to me about the Vegetable Compound.

Mrs. W. G. MONSON, 1515 Park Ave., Beloit, Wis. Mrs. Monson is willing to write to any woman suffering from such troubles.

STORY OF BY-GONE DAYS

Twenty-six Years Ago This Week

Electra Park between Norway and So. Paris, opened this week with an orchestral concert by local musicians with Arthur E. Norsworthy, cornet soloist. Excursion tickets on the electric were sold and a large crowd assembled.

Work commenced on the Catholic chapel to be located on Alpine street. Geo. R. Hammond is the contractor and he plans to have it completed within two months.

Lightning played strange capers during a heavy shower Thursday afternoon.

At West Stockholm the Thomas Foster buildings occupied by Lucian Jewett were struck and his wife barely escaped serious harm. Wires were burned off, letting pictures fall to the floor; a lamp chimney was taken up and set down unbroken.

Mrs. Otis N. Jones' residence on Pleasant street, Norway, was struck, causing bricks and shingles to be misplaced.

Lightning entered Mrs. Henry Judkins' house and a visitor was thrown from a chair. Mrs. Judkins was rendered unconscious for some time.

Lightning struck the Methodist Church occupied by Minot L. Whittle, do-at South Paris and the H. N. Bolster ing considerable damage.

Frank B. Fogg has gone into the livery business and bought of R. L. Cummings the stable and connected with the Grand Trunk hotel at South Paris.

In classifying the Norway taxpayers 141 are assessed \$40 or more; 130 pay more than \$25 and 970 less than that amount. Total number taxpayers in town 1,244.

NORWAY AND VICINITY

Corporation Received New Fire Truck

The new truck for the Norway Fire Department combination truck for Co. No. 2 was delivered Friday and given a trial run in various parts of the corporation. It is not only neat and attractive, but practical.

The apparatus has a regulation body built by M. A. Millett of South Paris, and fitted on a Ford truck chassis. The fifty gallon chemical tank purchased several years ago from the American-Lafayette Engine Co. and seldom used, is mounted on the body, together with sufficient hose to reach any small blaze.

Extinguishers, extension ladders, nozzles, 850 feet of standard hose for hydrant service, and other equipment for instant use is carried. A running board is of sufficient size to accommodate a dozen firemen. One thousand feet of hose may be carried if necessary.

With this sensible outfit a quick response to an alarm is possible with a company in good working condition on reaching a fire. Under our average road conditions this outfit should be a practical asset at least nine months in the year and make good whenever possible to operate any medium weight motor vehicle.

One thousand dollars was appropriated at the corporation meeting in April, to include the cost of apparatus and expense of alterations at the Central Engine House where it will be kept. So far as reported the appropriation is sufficient.

The apparatus is practically an original outfit. General plans were followed, but ideas to meet local conditions furnished by the builder and representatives of the Norway Department were developed as the work proceeded. Thus we have about the last word in a small combination.

What we have about the right thing for our financial condition and climate, is the general opinion, beside considerable money was saved in the transaction. The apparatus is honestly constructed and should last many years. It is hinted at least one more may be added to the fire equipment in a year or so.

Bertha Millett, granddaughter of Mr. and Mrs. C. E. Buel, Elm street, has established a fine school record. Miss Bertha has not been absent, late or excused for the entire year and did not get below excellent in her studies.

B. L. Hutchins, the jeweler, attended the Retail Jeweler's convention and banquet in the Old Orchard House, recently.

A re-arrangement of fixtures at Asot's Drug Store gives space for three tables with seats near the fountain for the serving of refreshments.

Mr. and Mrs. Hal Eaton have returned to their home in Manchester, N. H. Their son, Sargent, will remain for the summer with his grandparents, Mr. and Mrs. Charles H. Sargent.

C. O. Brackett, Pine street, killed a banded water snake measuring 3 1/2 ft. long and 1 1/2 in. thick.

Mr. and Mrs. H. E. Buel, Elm street, returned home from Augusta, Saturday morning, after a week of instruction and intensive training.

The hot wave left Friday after camping here three days. Roasting temperatures sending the mercury to 103 in several localities was accompanied with occasional hot breezes. Uncomfortable as it was to humanity, crops thrived and jumped after a set back lasting nearly three weeks. Several persons were overcome and many forced to give up work during the hottest period.

Hon. J. E. Alexander and Mrs. Alexander, Wm. A. Bunker and daughter Marion and Mrs. Ella Odiorne from Biddeford were Sunday guests of E. F. Smith and family.

Fred W. Sanborn, Mr. and Mrs. Chas. E. Osgood, Mrs. Cora Twitchell and Walter C. Smith went to Meredith Center, N. H. Monday. Mr. and Mrs. Osgood have been visiting their son, R. S. Osgood, for the past few months.

"Drive on the right hand side of the road" applies to Bridge street as well as any street or road, but invariably parties desiring to reach the head of Main St., from Bridge, come along the left hand side, then cut across Main. All is well unless some person from the head of Main street desires to turn down Bridge street at about the same time, then comes a sudden stop for both parties. Many are the cars and teams which have nearly met with an accident here this summer.

The Misses Hilda Russell, Thelma Bradbury, Helen Richardson, Alice Lewis, Hazel Kimball, Janet Noyes, Annie Everett and Edith Joslin enjoyed a week at Evergreen Camp, at the lake.

Central Maine Power Company in Strong Financial Position

When a bank or a bond salesman or a stockholder or a customer advises you to purchase Central Maine Power Company seven percent Preferred Stock as an investment they know that the earning statements back them up in their statement that it is an exceptionally safe investment and that the company is in an exceptionally strong financial position.

Take, for example, Central Maine Power Company's system earnings for the year ending April 30—which are the latest figures available.

The company took in during the 12 months, from the sale of electric energy, gas and street car service over three and one half million dollars.

It used over a half million dollars either for replacing property that was worn out or to put aside as a reserve for this purpose.

Its other operating expenses amounted to slightly under a million and a half dollars. ("Operating expenses" include the money paid in wages and taxes and for similar purposes and cover all costs for making the electric energy, selling it and collecting the bills.)

The company paid for the use of the money lent the company through the sale of bonds, etc; and as guaranteed dividends on the stock of subsidiary companies slightly less than one million dollars. It paid to its preferred stockholders as their share of the earnings of the company nearly a half million dollars.

That left a remainder, after all bills were paid, of net profit for the company for the year's operation of \$159,289.89.

It is not to be wondered at that a security backed by net earnings of \$159,289.89, a security with a dividend record unbroken for almost eighteen years is regarded by the people of Maine as a particularly safe investment.

The owners of this security are to be congratulated on the sound financial position of the Company.

The officers of the organization feel all confidence that its seven percent preferred stock will continue to pay dividends as long as the people of Maine find use for lights and energy and as long as hydro-electricity continues to furnish the best, easiest and cheapest form of lights and energy.

Keep Cool

There are several ways to keep cool, the best way that we know of is by having cool, comfortable clothing.

One may keep cool by selecting a cool seat under the shade of a stately tree, a cool bath may cool one off for a while, even so one wants good cool clothing when Old Sol gets to sizzling good and proper. Old Sol drives the Mercury up and Joe Boras drives it down, we have to battle against them both. How well we succeed in the battle is manifested by the repeated sales to the same customers. "What is the sign so often seen?
And what is it that it doth mean?
The 'S&H' so big and bright,
Where'er we turn, to left or right?"

"It stands for ice cream to be sure!
The quality is rich and pure,
The kind once tasted always sought,
The most refreshing ever bought!"
